I promised Roland 4 hours, as he travels fair distance so sometimes may be very few in group and need to price at £25 to cover costs in case this happens

I try to match up people in the rides as much as possible by ability and size of mount so please be as flexible as you can when requesting riding times.

David has had considerable success with the SJ teams he has instructed – he is highly regarded and teaches regularly for local Pony Club branches and Riding Clubs. We are lucky to get as much of his time as we do (and his unflinching support and interest).

Mark has built up an enthusiastic following with his excellent gridwork sessions which are a great way to make your horse really athletic and also help with both rider and horse approaches to show jumping – he is a very experienced instructor.

Roland: originally from Tenerife, Spain first came to the UK in 1999 and gained his qualifications at Wellington He is an inspirational instructor who says he is passionate about teaching and aims to give clients fun and constructive lessons – those of us who had lessons at Wellington on our holidays or at our clinic this year can vouch for this.

REFUND POLICY - no refund will be given after times are sent out – this is normally 1 week in advance.

You should apply for each session at least three weeks in advance. Places will be given on a first come, first served basis and numbers will be limited so although you can apply later, early application is recommended – you can post date your cheques. **YOU CAN PAY BY BANK TRANSFER – CONTACT PENNY FOR DETAILS.**, or of course can book online with My Riding Life. DIRECTIONS

Glen Farm Livery Yard, Stroudwood Lane, Upham, Hants SO32 1HG. Stroudwood Lane is off Mortimers Lane (B3037). It is a couple of miles out of Bishops Waltham in the Winchester direction. Best route is go into Lower Upham (from Bishop's Waltham), turn left by the Alma Pub down Mortimer's Lane. After .8 miles turn right into Stroudwood Lane and Glen Farm Livery Yard is a few hundred yards along on the left.

Lower Peake, Warnford SO32 3LA. Take A32 south, through West Meon and Warnford. As you come out of Warnford you have iron railings on your left, after about half a mile the railings end and you will see yellow posts. Turn left down drive (grassy triangle as you start), follow narrow road for about ¼ mile, bear left as you come

towards farm and head down towards the white house which is Lower Peake. It is a one way system so do not worry that the road is narrow. Please drive extremely slowly when leaving A32 and going down the drive to Lower Peake.
