David has had considerable success with the SJ teams he has instructed – he is highly regarded and teaches regularly for local Pony Club branches and Riding Clubs. We are lucky to get as much of his time as we do (and his unflagging support and interest with riders and horses at **every** level).

Mark has built up an enthusiastic following with his excellent gridwork sessions which are a great way to make your horse really athletic and also help with both rider and horse approaches to show jumping – he is a very experienced instructor.

Cheryl is well known to quite a few of our members and has an excellent reputation for her teaching, expertise and encouragement: taken from her website:” I am very aware of the different learning styles riders may have, so I am able to accommodate these using a variety of techniques including demonstration, explanation and visualisation. I also aim to keep the training sessions fun, whilst ensuring the basic fundamentals are always adhered to.”

REFUND POLICY - no refund will be given after times are sent out – this is normally 5-7 days in advance.

DIRECTIONS

Lower Peake, Warnford SO32 3LA. Take A32 south, through West Meon and Warnford. As you come out of Warnford you have iron railings on your left, after about half a mile the railings end and you will see yellow posts. Turn left down drive (grassy triangle as you start), follow narrow road for about ¾ mile, bear left as you come

towards farm and head down towards the white house which is Lower Peake. It is a one way system so do not worry that the road is narrow. Please drive extremely slowly when leaving A32 and going down the drive to Lower Peake.
